While there has never been an Annual HFA Meeting re-scheduled or canceled due to severe weather, we now have more yearly storms many of which are more severe than at any time in the history of U.S. weather record-keeping. ***Please fill out the email and cell phone # information lines, at the bottom of the front side of this page, so that we may contact you immediately, no matter where you are in transit, if either Historic St. Mary's City and/or the Holiday Inn Solomons closes due to severe weather conditions and/or damage at any time in the two week period prior to our meeting.*** If our 2019 annual meeting is canceled, the reschedule date is mid-October, 2020.
